ORDER:

The Irrigation & CAD Department have stated that in the reference 1st read above, the Vigilance Commissioner, A.P.V.C. while advising among the other Engineering Departments has opined that the present set up of quality control in the Irrigation & CAD Department is found to be quite lethargic and ineffective in carrying out quality control audit.

2. The Vigilance Commissioner, while discussing in detail about the main bottlenecks which are coming the way of, effective functioning of Quality Control Wing has suggested that the quality control wings be strengthened by creating a post of Chief Engineer (QC) in the Irrigation & CAD Department by sanctioning additional staff wherever required.

3. The Vigilance Commissioner while stating that in the absence of adequate support, the functioning of Quality Control Wings has no positive effect at all and valuable resources are being wasted, and opined that out put of the quality control units in the works departments would be useful only when it can be effectively monitored and followed up at appropriate levels.

4. After consideration of the above said advice of the Vigilance Commissioner, A.P. Vigilance Commission, Hyderabad, keeping in view of large number of Irrigation Projects taken up under "JALAYAGNAM" and to strengthening the existing quality control set up in Irrigation & CAD Department, the I& CAD Department have proposed to create (3) posts of Chief Engineers in three regions in the State

5. Government after careful examination of the proposal of the department hereby create 3 (three) posts of Chief Engineers in the scale of Rs.23500 – 30765, for Quality Control Wings, in the three regions in the State with Head quarters as indicated below:

1. Chief Engineer Dowlaishwaram.
for Quality Control Wing for Coastal region
2. Chief Engineer Hyderabad.
for Quality Control Wing for Telangana region
3. Chief Engineer Kadapa.
for Quality Control Wing for Rayalaseema region

6. The Irrigation & CAD Department shall take further necessary action accordingly.
